I became the Class Representative:
Side Story

This side story doesn't connect with the real story it is just a "what if" story.
Please read this as a separate thing.

Title:
"If they went out it, might be like this"

FUJISAKI, YOSHI-KAWA-

CAN YOU CARRY THESE PUPPETS TO THE CLASS-ROOM?

because we are going to use it for the voluntary services kinder-garten visit

OK

2-D

Anyways, I guess we should put it in the back

THERE IS QUITE A FEW

tons of animals

YA

IS THAT LITTLE RED RIDING HOOD?

AH, THERE IS ALSO ONES THAT AREN'T ANIMALS

it kind of looks like MIKU CHAN

....IF MIKU-CHAN IS THE LITTLE RED RIDING HOOD THEN I AM---------...

MIKU -CHAN

MIKU -CHAN!

GAO ----

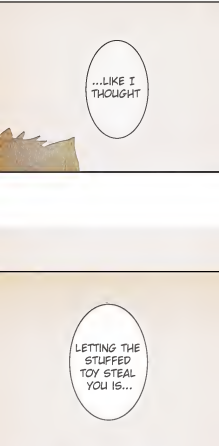
オオカミ?

THE WOLF IS

GOING TO

STEAL MIKU -CHAN --------...

.....



That's it, it doesn't connect with the real story, it's a manga imagining what it would be like if they were a couple.

also, this will not be the first kiss.

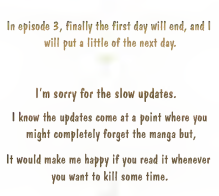
No matter how flashy Fujisaki is the first kiss would have more drama I think.

I won't say if the real story will have the two become like this but,

I would be thankful if you watched how the two people's relationship change in the future.

also this is a preview of the next episode.

↓



AS EXPECTED OF YOSHIKAWA!
WHAT IS THIS OBVIOUS ASSUMPTION OF HOW RUDE I WORKED
EVEN IF I WANT TO MASTURBATE HERE
Oh, and also Fujisaki

In episode 3, finally the first day will end, and I will put a little of the next day.

I'm sorry for the slow updates.

I know the updates come at a point where you might completely forget the manga but,

It would make me happy if you read it whenever you want to kill some time.
